Subject: OCE WA 0-2, TD11: QAPP Review Update

Hi all,

I wanted to provide a quick update to let you know that the Primary Data Collection QAPP that we are preparing under OCE WA 0-2, TD11 will be a bit delayed in coming to you for review. We are aiming to get a draft to you for review by COB Wed. January 6th. We apologize for the delay in sending this QAPP, but we came across some sections that require additional follow-up with the Subcontractor to clarify the content. Because of folks' holiday schedules and time out of the office, we need the extra time to update these sections.

As a note, this field work is tentatively scheduled for the week of January 25th, so we're hoping this still gives you ample time to complete your reviews. Sorry for any inconvenience.

Happy holidays!

Sarah Yates
